2. Official Business Activity

Information Technology Enabled Services (ITeS) & Multi-Category Hyperlocal Marketplace Intermediary connecting local residential customers with verified independent delivery partners, runners, and domestic service providers across Home Services, Medicine Delivery, Custom Work & Errands, Food & Grocery fulfillment, and Fresh Produce logistics via automated digital channels (WhatsApp Bot & Web Portals).

3. Detailed Business Description (For Bank / Payment Gateway / Govt Portals)

Need2Done is a technology-driven multi-service hyperlocal convenience platform facilitating on-demand domestic support, residential deep cleaning, prescription pharmacy pickup, custom errand execution, food delivery, and daily essential procurement. Operating strictly as a digital intermediary under Section 79 of the Information Technology Act, 2000, Need2Done provides real-time GPS dispatching, automated order lifecycle tracking, and secure digital payment processing connecting consumers with local merchants and independent service partners.

4. Comprehensive Multi-Service Verticals

1. Home Services (HS)	On-demand domestic assistance including Home Deep Cleaning, Kitchen Cleaning, Bathroom Scrubbing & Sanitization, Dishwashing Assistance, Laundry & Ironing Help, and Fan/Window Cleaning by verified helpers.
2. Medicine Delivery (Medi)	Doorstep collection and delivery of prescription medications and OTC wellness products from licensed local retail pharmacies against valid customer prescription uploads.
3. Custom Work & Errands	On-demand personalized errands, custom tasks, item/document pick-and-drop, queue standing, and tailored domestic assistance requested by customers.
4. Food Delivery	Ordering and doorstep delivery of prepared meals and beverages from local restaurants and food vendors.
5. Grocery Delivery	Procurement and delivery of daily household groceries and packaged goods from neighborhood supermarkets.
6. Fruits & Vegetables	Collection and delivery of fresh farm produce and greens from local retail mandis and fresh produce vendors.
7. Mobility & Rides	Point-to-point urban mobility and commuter transport services (where locally permitted and licensed).
