Need2Done — Customer Terms and Conditions

Last Updated: October 2026 **Effective Date:** Immediate upon account creation or order placement.

1. Introduction & Acceptance of Terms

Welcome to **Need2Done** ("**N2D**", "**Platform**", "**We**", "**Us**", or "**Our**"), an automated conversational platform and software intermediary connecting customers ("Customer", "User", "You") with independent delivery partners, runners, and domestic service providers ("Helpers" or "Partners") via automated conversational interfaces (WhatsApp Bot), web applications, and digital platforms.

By accessing, messaging our WhatsApp bot, placing a service request, or using any services provided by Need2Done, you agree to be legally bound by these Terms and Conditions ("Terms"). If you do not agree with any part of these Terms, you must immediately discontinue using our platform.

2. Legal Nature of Platform & Intermediary Safe Harbor

1. **Technology Intermediary:** Need2Done operates strictly as a technology aggregator and electronic intermediary under Section 79 of the Information Technology Act, 2000, and the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021.
 1. **Independent Third-Party Contractors:** All delivery tasks, store pickups, errand fulfillment, and home services are performed by independent third-party Helpers and not direct employees or agents of Need2Done.
 1. **No Merchant of Record:** Need2Done is not a restaurant, pharmacy, grocer, supermarket, or direct merchant. We facilitate order communication, GPS dispatch, and electronic payment processing. We do not manufacture, package, store, or sell third-party goods.
-

3. Scope of Service Verticals & Offerings

Need2Done operates a comprehensive hyperlocal convenience ecosystem covering:

1. **Home Services:** On-demand domestic assistance including residential deep cleaning, kitchen cleaning, bathroom sanitization, dishwashing, laundry, ironing, fan/window upkeep, and domestic chores.
 1. **Medicine Delivery (Pharmacy Assistance):** On-demand collection and doorstep delivery of prescription medicines and OTC health/wellness products from licensed local retail pharmacies against valid prescription uploads.
 1. **Custom Work & Hyperlocal Tasks:** Tailor-made errand execution, point-to-point courier pick-and-drop, document delivery, store purchases, queue standing, and personalized chores.
 1. **Food Delivery:** Order placement and doorstep delivery from local restaurants and eateries.
 1. **Grocery & Daily Essentials:** Purchasing and delivery of packaged goods and daily household essentials from local supermarkets and neighborhood stores.
 1. **Fresh Fruits & Vegetables:** Procurement and delivery of fresh produce from local vendors and markets.
 1. **Hyperlocal Mobility & Rides:** On-demand point-to-point transport (where locally licensed and authorized).
-

4. User Obligations & Account Usage

1. **Accurate Information:** You agree to provide true, accurate, and complete information, including delivery addresses, landmark details, recipient contact numbers, and valid prescriptions where required.

1. **Authorized WhatsApp Communications:** Any order placed, verified, or confirmed through your registered WhatsApp phone number or OTP verification is deemed authorized by you.
 1. **Lawful Purpose:** You must not use the platform to order, transport, or facilitate prohibited, hazardous, contraband, or unlawful items as defined in our Prohibited Tasks Policy.
 1. **Respect & Safety:** Customers must treat all Helpers with dignity. Any verbal abuse, harassment, discrimination, or physical intimidation will result in immediate service termination, permanent account ban, and reporting to law enforcement authorities.
-

5. Pricing, Charges & Payment Terms

1. **Pricing Structure:**
 - **Task Base Fare / Hourly Rate:** As quoted dynamically based on task category and duration.
 - **Distance & Time Charges:** Calculated via GPS route estimation.
 - **Platform Convenience Fee:** Charged per transaction for software access, dispatching, and automated bot support.
 - **Merchant Goods Cost:** Exact retail bill amount for medicines, food, groceries, or items purchased on your behalf.
 1. **Payment Methods:** Payments are processed securely through certified payment gateways (Razorpay / UPI / Cards / Net Banking) or authorized Cash on Delivery (COD).
 1. **Reimbursements:** Any merchant store receipt or pharmacy invoice incurred by the Helper on your behalf must be reimbursed in full upon delivery.
-

6. Intellectual Property

All software code, database structures, algorithms, logos, trademarks, bot conversation flows, and user interface designs associated with Need2Done are the exclusive intellectual property of Need2Done. Unauthorized duplication, reverse-engineering, or commercial reproduction is strictly prohibited.

7. Limitation of Liability

To the maximum extent permitted by Indian law:

1. Need2Done shall not be liable for any indirect, special, incidental, punitive, or consequential damages arising out of platform use.
 1. Quality, warranties, freshness, packaging, and merchant terms of third-party goods (food, medicines, groceries) remain the sole responsibility of the originating merchants.
 1. In all circumstances, Need2Done's total aggregate financial liability shall be capped strictly at the platform convenience fee received for the specific transaction in dispute.
-

8. Governing Law & Dispute Resolution

These Terms shall be governed by and construed in accordance with the laws of India. Any legal dispute, controversy, or claim arising out of or relating to these Terms shall be subject to the exclusive jurisdiction of the competent courts in India.

Need2Done — Privacy Policy

Last Updated: October 2026 **Effective Date:** Immediate upon user access or service request.

1. Introduction

Need2Done ("N2D", "We", "Us", or "Our") is committed to protecting your personal information and respecting your privacy. This Privacy Policy explains how we collect, process, store, disclose, and safeguard your personal data when you interact with our WhatsApp Business bot, web applications (<https://need2done.in>), customer portals, and related digital services.

This Policy is formulated in compliance with the **Information Technology Act, 2000**, the **Information Technology (Reasonable Security Practices and Procedures and Sensitive Personal Data or Information) Rules, 2011**, and the **Digital Personal Data Protection (DPDP) Act, 2023**.

2. Information We Collect

We collect only data necessary to fulfill your requested tasks, process payments, and ensure service safety:

1. **User Identity & Contact Data:** Name, WhatsApp phone number, and delivery contact details.
 1. **Location & Geolocation Data:** Real-time GPS coordinates, delivery addresses, pickup landmarks, and transit routes necessary for helper dispatch and live tracking.
 1. **Task & Transaction Details:** Items ordered, service durations, store receipts, pharmacy prescriptions (uploaded voluntarily for medicine delivery), order history, and payment transaction IDs (card/banking numbers are processed directly by certified RBI-regulated payment aggregators like Razorpay).
 1. **Device & Bot Interaction Data:** WhatsApp interaction logs, browser type, IP address, device identifiers, and timestamp data.
-

3. Purpose of Data Processing

Your data is used strictly for legitimate operational purposes:

- Dispatching independent Helpers to accurate pickup and drop locations.
 - Fulfilling medicine, food, grocery, home services, and custom work tasks.
 - Processing digital transactions and generating digital invoices.
 - Sending live order tracking links, status notifications, and OTP verification codes.
 - Fraud prevention, platform safety, dispute resolution, and legal compliance.
-

4. Data Sharing & Third-Party Disclosures

Need2Done will **never sell or rent** your personal data. We disclose information only under strict operational conditions:

1. **Assigned Helpers:** Delivery runners and service helpers receive only the required contact name, phone number, address, and task notes to execute the service.
 1. **Third-Party Service Providers:** Licensed pharmacies, mapping service providers (Google Maps / OpenStreetMap), SMS/WhatsApp API gateways (Meta Platforms), and secure payment aggregators (Razorpay).
 1. **Law Enforcement & Statutory Mandates:** Disclosed only when legally required by court orders, police investigations, or regulatory compliance under Indian law.
-

5. Prescription & Sensitive Health Data (Medicine Vertical)

Prescription uploads provided for medicine delivery are processed strictly to facilitate purchase from licensed chemists. Prescriptions are stored securely in encrypted databases and are not repurposed for advertising or commercial targeting.

6. Data Security & Storage

We employ industry-standard technical and organizational security measures:

- 256-bit SSL/TLS encryption for all data in transit.
- Secure, role-based access control and encrypted database storage on AWS cloud infrastructure located in India.
- Regular security audits and vulnerability monitoring.

7. Data Retention & User Rights

1. **Retention:** Data is retained only as long as necessary for business fulfillment, tax auditing, and legal recordkeeping.
1. **User Rights:** You have the right to review, update, or request the deletion of your personal account data by writing to our Grievance Officer.

8. Grievance Officer Contact

Pursuant to the Information Technology Act, 2000 and the DPDP Act, 2023, the contact details of our Grievance Officer are:

- **Grievance Officer:** Legal & Compliance Desk
- **Company:** Need2Done Technologies
- **Email:** support@need2done.in / grievance@need2done.in

Need2Done — Partner & Helper Agreement

Last Updated: October 2026 **Applicability:** All Independent Task Runners, Delivery Partners, and Service Providers ("Helpers" or "Partners")

1. Engagement & Independent Contractor Status

1. **Principal-to-Principal Basis:** This Agreement governs the contractual business relationship between **Need2Done ("Platform")** and the **Partner ("Helper")**. The Partner agrees that they act solely as an independent service provider and **NOT** as an employee, worker, agent, or legal partner of Need2Done.
 1. **Work Autonomy:** Partners maintain complete independence regarding when to log online, which tasks to accept or decline, and their working schedule.
-

2. Mandatory Partner KYC & Documentation

Prior to account activation and dispatch eligibility, every Partner must submit:

- Government Photo ID Proof (Aadhaar Card, PAN Card).
 - Valid Motor Vehicle Driving License (for delivery runner & ride tasks).
 - Vehicle Registration Certificate (RC) and valid Insurance (for vehicle runners).
 - Background & Identity verification clearance.
 - Active Bank Account / UPI VPA in the Partner's legal name for direct payout disbursements.
-

3. Payouts, Commissions & Service Fees

1. **Earnings:** Partners receive the task fee, hourly charge, distance rate, and customer tips as defined in the platform rate schedule, minus the applicable Need2Done platform service fee.
 1. **Settlement Schedule:** Partner earnings are aggregated and transferred on a weekly / bi-weekly cycle directly into the registered bank account or UPI ID.
 1. **Withholding & Deductions:** Need2Done reserves the right to withhold earnings in cases of confirmed fraud, customer cash misappropriation, unverified OTP submissions, or intentional parcel damage.
-

4. Professional Standards & Operational Conduct

A. Home Services Helpers

- Treat customer homes with utmost care, respect, and hygiene.
- Complete all cleaning, scrubbing, dishwashing, and chore tasks thoroughly within the booked duration.
- Never enter unauthorized rooms or solicit off-platform cash bookings.

B. Delivery Runners (Medicine, Food, Grocery, Custom Work)

- Verify merchant receipts and inspect tamper seals (especially for medicine and food deliveries).
 - Mandatory OTP verification: Always obtain and confirm the customer OTP upon completing pickup and delivery.
 - Adhere strictly to road safety regulations, speed limits, and traffic laws.
-

5. Termination & Deactivation

Need2Done reserves the right to deactivate or permanently terminate Partner accounts for:

1. Customer rating falling below acceptable threshold (< 3.8 / 5.0).
 1. Refusal to verify OTP or unauthorized task abandonment.
 1. Violation of the Prohibited Tasks Policy.
 1. Misconduct, verbal abuse, harassment, or fraudulent GPS manipulation.
-

Need2Done — Terms of Service (Service Terms)

Last Updated: October 2026

1. Description of Services

Need2Done ("N2D") is an automated conversational platform and software ecosystem enabling users to request and manage on-demand domestic tasks and hyperlocal assistance.

The platform currently operates **three (3) active service verticals**:

1. **Home Services:** On-demand domestic assistance including deep cleaning (kitchen, bathroom, floors, fans, windows), dishwashing, laundry, ironing, and helper services via web portal (<https://need2done.in/home-services/>) and WhatsApp.
1. **Medicine Delivery:** Pickup and doorstep courier delivery of pharmacy products and prescription medications from licensed local retailers.
1. **Custom Work:** On-demand personalized errands, custom tasks, item pick-and-drop, and chore assistance.

[!NOTE] Upcoming Service Expansions: Additional verticals including General Handyman & Appliance Maintenance, Grocery Fulfilment, and Specialized Trade Repairs will be introduced in subsequent launch phases.

By initiating conversations with the Need2Done WhatsApp Business account or accessing associated portals (Web Portals, Tracking Maps, or Admin Dashboards), users agree to these Service Terms.

2. Platform Availability & Automated Bot Interactions

1. **Automated Conversational Interface:** Task placement, helper status, price quotes, and live tracking links are processed automatically through algorithms and WhatsApp API workflows.
 1. **Service Downtime:** While Need2Done aims for 99.9% uptime, we do not guarantee uninterrupted availability during third-party service disruptions (e.g. Meta WhatsApp outages, AWS downtime, telecom network failures).
 1. **Accuracy of Data:** ETA predictions, distance calculations, and map routes are estimates provided via third-party mapping services (e.g. Google Maps, Leaflet, OpenStreetMap) and may vary based on live traffic conditions.
-

3. Scope of Intermediary Responsibility

- Need2Done acts solely as a communication and transaction bridge between the customer, independent service helpers, and third-party local stores/pharmacies.
 - Product quality, manufacturer warranties, store refund policies, pharmacy dispensing accuracy, and item expiration dates remain the sole responsibility of the respective retail merchants/pharmacies from whom the goods were procured.
-

4. Intellectual Property

All trademarks, logos, bot dialogue logic, software source code, visual tracking designs, and branding assets associated with Need2Done are the exclusive intellectual property of Need2Done. Unauthorized copying, scraping, reverse-engineering, or commercial exploitation is strictly prohibited.

5. Modifications to Service Terms

Need2Done reserves the right to revise or update these Service Terms periodically. Notice of significant changes will be published on our web portal or sent via the WhatsApp channel.

Need2Done — Customer Damage and Liability Policy

Last Updated: October 2026

1. Overview & Purpose

This Policy sets forth the limits of responsibility, inspection procedures, and liability compensation standards for physical damage, loss, or service deficiency occurring during task execution on the **Need2Done ("N2D")** platform.

2. Intermediary Status & Merchant Disclaimers

- **Third-Party Goods:** Need2Done is a technology aggregator facilitating delivery and domestic assistance. We do not manufacture, inspect, warrant, or directly package merchant items (medicines, prepared food, packaged groceries, retail goods).
 - **Manufacturer Warranties:** Defects, shelf life, seal integrity, and manufacturer warranties remain the sole responsibility of the merchant/manufacturer.
-

3. Transit Damage & Loss Coverage

1. **Couriers & Custom Work:** If an item is lost or physically damaged during transit due to proven gross negligence of the assigned delivery partner:
 - The customer must report the incident within **12 hours** of delivery with photographic evidence and purchase invoice.
 - Following investigation, Need2Done may reimburse the direct repair cost or depreciated fair market value of the item, subject to a maximum liability cap of **₹2,000 per order**.
 1. **Fragile & High-Value Items:** Transport of fragile glass, jewelry, fine art, or electronics valued above **₹5,000** is undertaken at the customer's sole risk unless agreed in writing with special handling.
-

4. Home Services Property Protection

1. **Inspection Prior to Service:** Customers are advised to point out delicate surfaces, antique fixtures, or pre-existing damage prior to the start of cleaning/domestic chores.
1. **Accidental In-Home Damage:** If a service partner accidentally causes damage to customer property during an authorized home service session:
 - The customer must notify Need2Done support within **24 hours** before any third-party repairs are undertaken.
 - Following verified inspection, compensation or repair facilitation is provided up to a maximum cap of **₹5,000** or 5x the service booking fee (whichever is lower).

- Need2Done does not cover pre-existing wear and tear, superficial staining on aged materials, or unverified claims.
-

5. Maximum Liability Cap

Except where prohibited by mandatory Indian law, in all disputes, Need2Done's total aggregate financial liability across all claims shall never exceed the platform convenience fee received for the specific transaction.

Need2Done — Prohibited Tasks and Items Policy

Last Updated: October 2026

1. Zero-Tolerance Safety Policy

To ensure public safety, legal compliance, and the security of our community of customers and delivery runners, **Need2Done ("N2D")** strictly prohibits the ordering, transport, delivery, or execution of certain restricted goods and activities.

Any attempt to request prohibited tasks will result in immediate cancellation, forfeiture of advance fees, permanent account termination, and immediate reporting to law enforcement authorities where warranted.

2. Strictly Prohibited Goods & Substances

Helpers and runners are strictly instructed to refuse orders containing or suspected of containing:

1. **Illegal Narcotics & Controlled Substances:** Any banned drugs, psychotropic substances, or unregulated chemicals. *(Note: For our Medicine Delivery vertical, only lawful medications with valid doctor prescriptions and OTC wellness items from licensed retail pharmacies are permitted. Schedule X drugs and banned formulations are strictly prohibited).*
 1. **Weapons, Ammunition & Explosives:** Firearms, ammunition, fireworks, commercial explosives, unlicensed sharp tactical weapons, or hazardous incendiary devices.
 1. **Hazardous & Corrosive Materials:** Flammable fuels, toxic chemicals, concentrated industrial acids, radioactive substances, or bio-hazardous waste.
 1. **Unregulated Alcohol & Tobacco:** Transporting alcoholic beverages or tobacco without requisite state excise permits or in violation of local laws and minor age restrictions.
 1. **High-Value Cash, Bullion & Counterfeit Goods:** Transport of unaccounted cash, gold bullion, precious gemstones, bearer instruments, lottery tickets, or counterfeit currency.
 1. **Live Animals & Protected Wildlife:** Live livestock, pets, reptiles, endangered animal parts, or protected wildlife.
 1. **Pornographic & Obscene Literature:** Banned adult material, obscene literature, or illicit contraband.
-

3. Strictly Prohibited Tasks & Services

Customers must not engage Need2Done Helpers for:

- Unlawful entry into private premises, trespassing, or surveillance/stalking of individuals.
 - Acting as proxies for government legal signatures, identity fraud, or illegal document submission.
 - Debt recovery, harassment, intimidation, extortion, or physical disputes.
 - Participating in unlawful assemblies, protests, or illegal gambling activities.
 - Any act contravening the Indian Penal Code (BNS), the Information Technology Act, or municipal regulations.
-

4. Helper Rights & Protocol

- Helpers have the explicit right to inspect packages in the customer's presence prior to pickup if prohibited contents are suspected.
- If a prohibited task is detected, the Helper must immediately refuse the task, report it via the platform safety desk, and move to a safe location.
